## ABOUT

BigBloc Construction Limited is India's premier AAC block and related products manufacturing company. AAC blocks are a superior quality building material which provide unparalleled blend of strength, light weight, thermal insulation, soundproof, unsurpassed fire resistance and highly proficient building capability. AAC is a natural and non-toxic construction material, which saves energy, and are eco-friendly.

The company has two state-of-the-art manufacturing units located at Vapi and Ahmedabad, Gujarat, making it one of the largest AAC manufacturers in India with a capacity of 5,75,000 m<sup>3</sup> p.a. Additionally, in 2021, BigBloc entered into a strategic Joint Venture with one of the largest cement and building material companies in Thailand, Siam Cement Group (SCG). The JV has recently acquired 60,000 sq. mts. Of land near Ahmedabad for setting up a new unit to manufacture AAC panels as well as blocks.

BigBloc boasts of strong relationships with marquee clientele of 100+ realtors including 50% of the top 7 developers of Mumbai. BigBloc is one of the few players in India that supplies sustainable alternatives to traditional building material (bricks). It is the only company in India to register and operate AAC block manufacturing plants registered under the carbon credit registry. Through innovation and focus on sustainability, the company has evolved to become one of the largest AAC block manufacturers in the country. With the company's capacity expansion plans expected to commercialize within the next year, it will catapult to a higher orbit, making it the largest AAC manufacturer in India.
